Commissioner for Patents

The reply filed on 04/09/07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to comply with the requirement to elect either water soluble active agent and poorly water soluble agent (see claims 15 and 16, for example); to elect either specific anionic surface active agent, specific non-ionic surface stabilizer, specific cationic surface stabilizer or specific ionic surface stabilizer; and to elect a single specific and disclosed water soluble active agent or single specific and disclosed poorly water soluble active agent; and finally identification of all the claims encompassing the elected invention. See pages 2 and 3 of the action of 03/08/2007. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
